5 th year or above			

Terms & Conditions:

1. The scanner should be rented for at least one year. After that, the rental service can be cancelled by 3 months' notice in advance.
2. The parts fee will be charged if the scanner is malfunctioned because of misuse or mishandling.
3. The payment can be made by quarterly, half-yearly or yearly in advance.

Features & Benefits

We are welcome to provide rental scheme for other devices (eg. handheld terminals or printers, etc.), please contact us for quotation.

It covers **on-site** maintenance (Mon - Sun 9am - 10pm including public holidays).

Free one-time preventive maintenance service each year (starting from the 2nd year).

These two scanners are all OEM from well-known Japanese brand - DENSO (**inventor of QRcode**) and made in Japan.

The **total rental fee** for the first 2 years is still **cheaper** than its unit price but including the above maintenance services.

Provides on-site **one-to-one replacement** if the scanner is malfunctioned.

Service Scope

365 Service+ offers 365-day maintenance service per year, from 9am to 10pm (including Sunday and Public Holidays). Services cover hardware maintenance support of POS & Auto-ID Data Collection Devices.
